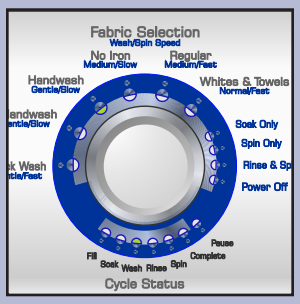
Laundry Got You Down? We'll Lighten Your Load!

2005 AMANA®TOP-LOAD LAUNDRY FEATURES

Positioned to hit key retail price points and offer features consumers want:

- **Tri-Care™ Agitator** - Spiral agitator is designed for thorough cleaning while caring for your clothes.
- **Extra Rinse Option** - Provides extra comfort for those with sensitive skin.
- **Elustra™ Stainless Steel Washtub and Dryer Drum*** - Won't scratch, even if you forget to check a pocket for loose change.
- **Sensor Dry*** - Internal sensor monitors moisture to ensure the correct level of dryness.
- **Electronic Controls with Cycle Indicator Lights*** - Easy-to-read controls show cycle selected, plus current cycle's progress.

*Select model.



Electronic Controls with Cycle Indicator Lights

Easy-to-read controls show cycle selected, plus current cycle's progress.

Tri-Care™ Agitator

Spiral agitator is designed for thorough cleaning while caring for your clothes.

Powder-Coated Top and Lid

Tough finish resists scratches and rust.

Bleach Dispenser

Adds it safely to your load of laundry for easy care of whites.

Fabric Softener Dispenser

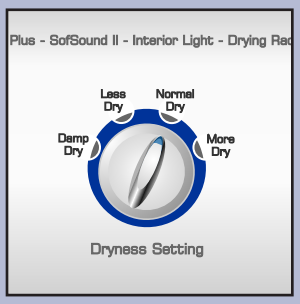
Adds it at just the right time so you don't have to.

Two-Speed, 1/2 HP Motor

Rugged and powerful, for years of worry-free laundry.

KEY LAUNDRY WASHER AND DRYER FEATURES

Super Capacity Plus – 7.1 Cu. Ft.
Dries more clothes in one load to save you time.



Automatic Dryness Control
Monitors temperature so you don't have to worry about overdrying.

Sensor Dry
Internal sensor monitors moisture to ensure the correct level of dryness.

Adjustable Degrees of Dryness
Automatically dries to the moisture level you select.

Auto Temp
Automatically selects the right drying temperature based on cycle chosen.

Refresh Cycle
Quickly and gently shakes existing wrinkles out of clothes.

Extra-Large, Reversible Door
Big opening makes it easier to load and unload clothes. Set the door to swing left or right — whichever best fits your laundry room layout.

High-Capacity Blower
Delivers powerful airflow for faster drying.

Super Capacity Plus – 3.3 Cu. Ft.
Cleans more clothes in one load to save you time.

Elustra™ Stainless Steel Washtub and Dryer Drum*
Won't scratch, even if you forget to check a pocket for loose change.

*Select model.
